This Agreement shall be (a) binding upon, and shall inure to the benefit of, the officers, directors, shareholders, agents, employees, successors, executors, administrators, heirs, representatives, and assigns of the parties and each of them; and (b) is governed by California law. Waiver of a breach of any provision or provisions of this Agreement will not operate or be construed as a waiver of any subsequent breach of the same or any other provision. If any portion of this Agreement is determined to be invalid or unenforceable, the remainder will be enforceable to the maximum extent possible. If any legal, equitable or other action, claim or proceeding of any kind or nature (including appeals, enforcement of judgments and collection) is brought to enforce or interpret any provision of this Agreement, then the prevailing party will be entitled to its attorneys' fees, expert's fees, and costs in addition to any other relief to which it may be entitled. This Agreement is a product of negotiation and preparation by and among each party and its attorneys. Therefore, each party expressly waives the provisions of Civil Code §1654 and acknowledges and agrees that this Agreement should not be deemed prepared or drafted by one party or the other and shall be construed accordingly.

 - b. Even if the information provided by the Guardian is complete and true to the best of the Guardian's knowledge, Guardian acknowledges that animals respond differently and sometimes aggressively when in the company of other dogs, in a strange environment, or around unfamiliar humans. That response can manifest itself in aggressive behavior, barking, jumping and, on occasion, fights between dogs that may result in injury to, or the death of Guardian's Pet or other dogs;
 - c. Guardian understands and acknowledges that there is an inherent risk of accident or injury to Guardian's Pet, other dogs, and persons associated with the handling of all dogs in the Facility including, but not limited to, handling dogs during group dog play; therefore, Guardian understands that even in the most controlled and well-supervised circumstance, there may be incidents, injury, or death that results from the inherently unpredictable behavior of animals, including dogs, that could result in injury to Guardian's Pet or other pets; and

- d. Guardian understands and acknowledges that Guardian's Pet may, while at the Facility, contract an infection, illness parasites, or infestation from close contact with other pets at the Facility.

After considering these factors, Guardian has decided the risk associated with placing Guardian's Pet in the Facility with other dogs is outweighed by the benefits of socialization, exercise and stimulation that results from the interaction with other dogs and humans. Therefore, Guardian knowingly, voluntarily, and intentionally consents to the Services to be provided under this Agreement and covenants and agrees to assume all risk of loss, liability, injury, or illness suffered by Guardian and/or Guardian's Pet, and/or third parties that arises out the Services provided by Wacky Wags to Guardian under this Agreement. By signing this Informed Consent and Assumption of Liability, Guardian further covenants and agrees to assume full responsibility for the behavior of its Pet and all damages that arise out of, or relate to, the Pet's condition, conduct, or behavior.
